My name is Stacy Deboer. I have to go to school but i really don't like it. My favorite color is dark blue. I have a family of five, my mom, my dad and my brothers. I like weather because means it might snow, I love snow. I love to ride horses. I don't have one of my own but I ride my aunts horse Teddy. I don't mind living in Lynden but it would be nice to get out of town for awhile.
