

Hai! I'm Haylee Dell, a Freshman at Lynden High School. Im a very passionate person and have many hobbies, including cosplay, drawing, and writing. Co-splay is something I'm very fond of, Ive been in theater since I was young and I love to act so cosplay takes the best things from my hobbies and applies them to a fun environment where people can share common interests and have a good time. Ive gotten into sewing in the past few years and I hope to be able to make my own costumes soon, the rush you get when someone asks to take your picture in a costume you created yourself is unmatched. In the future I hope to cosplay Papyrus from Undertale, a game by Toby Fox, Suzie Q from JJBA(if you don't know what this stands for you don't deserve to know) and hopefully Inugami from the anime Gugure! Kokkuri-san! I have a lot of ambitious costumes I hope to create, but Im not intimidated, thats not how I work!

The image features the letters 'H' and 'D' in a highly decorative, black, calligraphic font. The 'H' has a large, sweeping curve on its left side, and the 'D' has a similar curve on its right side. The letters are thick and have a classic, elegant feel.
