

Hello I am Víctor Hugo. I am not from here. I was born in México. I came young lil baby. I am my senior year of cer. I do play a musical instrument. I am proud. I am poor but I don't have a big house but I have all I need in life. After I graduate I have a bright future planned for myself. I have a goal in life to one day say "but mama I ain't done yet sit back and watch your son rise, kick back and know your son set..."
