

my name is bailey, im a person not an alien (as far as you know)...okay that was a little extreme im just a highschooler named bailey. im a nerd and I like football, my favorite team is the miami dolphins they made the playoffs so suck it trubek. my favorite football player in the nfl right now hes not on the dolphins his name is christine micheal or ty montgomery because they are over looked rbs in the nfl and **B** they play on the same team the greenbay packers. I like a band **T** named the script, there all right. my favorite player on the dolphins is jay ajayi or kiko alonso this there first year as starter on the dolphins. I was born April 2, 2001 at the one place were babies are born in bellingham. hate seahawks fans so much they just know about russel wilson and the popular players on that team but they should know them all at least the starers on the team
