

It looks like something you would see in an old western movie. I don't know why, it just has that vintage look to it. The next project I'm going to be doing is an ad for a product that we will be selling. We're going to be doing it in partners so I hope I get a good

My name is Benjamin Brian Mouche'. This is my first Indesign project and these are my initials. I chose a font that I could download off the internet called Bleeding Cowboys. I picked this font because it looks very cool and old.

partner that I can get along with. Well, I hope you like this piece and I can't wait to do my ad with my partner; whoever that may be. It promises to be very cool, I can guarantee you that. See y'all later!!!!
