

Hey there, my name is Amber Kim-
brough. I am a sophomore at Lynden
High School. My favorite color is teal. I
was born in Bellingham, Washing-
ton. I live on a dairy farm, I
feed calves on the week-
end, and I work on it
whenever they need
help. I love ani-

mals, I have two
dogs and a lot of
cats and cows. After
graduate I plan on
going to a culinary
school, I would like

to work on a cruise ship, even though I'm
afraid of deep water. Enjoy my artwork!
