

Hello, my name is Bo Steele. I am a senior at Lynden High School and i was born in Bellingham Washington. My favorite color is blue, but i also like green. I am a dedicated musician, playing percussion since fifth grade and attending many honor bands in the past few years. I hope to attend a school of music after i spend a year at the Forerunner School of Ministry in Alabama. It is my goal to someday be a percussionist in one of the major orchestras in the U.S.
