Hello, my name is Shane Treloar. I am 16 years old and am a sophomore at Lynden Highschool. I was born in Anacortes, Washington and lived there for 6 years before I moved to the little town of Lynden in Feb. of 2000. I am extremely athletic and I love sports and the outdoors. I play varsity baseball and I am an avid hunter. My favorite colors are blue and green. I mountain bike, wake board, and just hang around with friends in my free time.
