

Hi my name is Jackie I'm 17 years old and a junior at Lynden High School. I'm a pretty average teen. I like hanging out with friends, watching TV, reading, and up cheering for basketball. and nervous year. I not about all the is involved a senior. By seasons of cheer is only going to make me busier. Though I am excited because it will finally be my senior year. I'll get into the classes I want.

J cheering. This ing year I will be both football and I'm both excited for the up coming

V very excited work that with being doing two
