

Hello, my name is Jacob Boland. I am a student in Multimedia at Lynden high school. My favorite color is red. I was born in Tucson, Arizona. I play Football and Golf during the year. I have lived in Arizona for 8 years before I came to Washington. The weather is way better in Arizona than Washington because it was always sunny. I am excited for the summer because the weather will be nice and i will have more time to do the things that i want to do. It seems like the summer are always too short so I try to enjoy it as much as I can.
