

ANYTHING FROM PAPER TOWELS TO PEOPLE

Estimated: 1 hour

Ryan Mouat is not a licensed Bounty Hunter but is one heck of a Bad Ass. He rides a motorcycle like a fricken G, but is the most chivalrous of the men gettin all them ladies trippin. If Ryan were to actually become a bounty hunter he would probably end up beating up some of his victims so bad that they would be unrecognizable. Better than Boba Fett Ryan would travel all over to take you punk Ass down. There is no way you would survive but if, by chance you did, Chuck Norris would come out of nowhere and chop you face right off your face. Yeah that's right, who wants to be a little punk gangster now? You got nothin son. But if you have been on the receiving end of these punk ass gangsters give me a call and i'll come beat their punk ass. I got a 50 gallon can of whoopass just waiting to be uncanned. Bounty hunter out.
