

hey everybody! as you may already know, my name is Caleb Sterk, I'm ending my Junior year, and glad that I'm almost done with school. Throughout my Highschool year, I played alot of sports, like; Football, Soccer, Track & Field, Cross Country, and also Basketball. I live in a family of six, with me being the third out of four children. I own my own work, Lawn mowing company, and in the summer, I work in the raspberry fields for Berry Acres. I also like pickles, if that helps.
