

Discuss the following subjects in your business plan:

1. Products manufactured/services rendered
2. Show how the expertise you have will allow you to make significant inroads into the market
3. Number of employees
4. Description of plant or facilities
5. Convince the reader that there is a need for your service or product

Remember, you only have \$5,000.00 available to start your business. That includes rent, product cost and other startup expenses.
