

## **Business Plan**

**Discuss the following subjects in your business plan:**

**1. Products manufactured/services rendered: Baked goods (cupcakes, pie, cookies, cake, muffins, ect.), ice cream, chocolate.**

**2. Show how the expertise you have will allow you to make significant**

**inroads into the market: Because I love baking and I'm good at it. I've also worked as a cook in a restaurant.**

**3. Number of employees: One**

**4. Description of plant or facilities: At the restaraunt I work at I will use the kitchen and baking facilites there and sell my baked goods through them. I will also put a refriderated display case with everything from cupcakes to cookies in the front.**

**5. Convince the reader that there is a need for your service or product Remember, you only have \$5,000.00 available to start your business. That includes rent, product cost and other start-up expense: Adding a bakery to Lynden would bring yummy baked goods and a flair of design to business and marketing around town.**
